

# On the Uniqueness of Cournot Equilibrium in Case of Concave Integrated Price Flexibility CORRECTIONS AND SUPPLEMENTS

P. v. Mouche

May 27, 2019

## Corrections:

1. *On Page 711, delete lines 7-8 from above.*
2. *On Page 711, lines 12-13 from above delete the text '(An obvious variant of) Fact ... condition I holds.' ...*
3. *Page 712, line 14 ↑: ... integrated price flexibility  $L_p$  is*
